Online Voting

Stockholders who have successfully registered their intention to attend the meeting remotely shall be notified via email of their unique log-in credentials for the voting portal. Stockholders can then cast their votes real-time for specific items in the agenda until meeting adjournment, as follows:

1. Access the voting portal by clicking the link, and log in using the unique credentials sent by email to the email-address of the stockholder provided to the Company.
2. Upon accessing the portal, the stockholder can vote on each agenda item. A brief description of each item for stockholders' approval are appended as **Annex A** to the Notice of Meeting.
 - 2.1 A stockholder has the option to vote "Yes", "No", or "Abstain" on each agenda item for approval.
 - 2.2 For the election of directors, the stockholder has the option to vote for all nominees, withhold vote for any of the nominees (abstain), or vote for certain nominees only.

***Note:** A stockholder may vote such number of his/her shares for as many persons as there are directors to be elected or he may cumulate said shares and give one candidate as many votes as the number of directors to be elected (8 directors for SM Prime) multiplied by the number of his shares shall equal, or he may distribute them on the same principle among as many candidates as he shall see fit, provided, that the total number of votes cast shall not exceed the number of shares owned by the stockholder.*

***Example:** A stockholder who has one hundred (100) shares in the Company will have eight hundred (800) votes (one hundred shares multiplied by eight directors to be elected) to distribute among the candidates. Thus, he or she may 1) divide all votes among all candidates equally; or 2) allocate all votes to one or some candidates in any manner so long as the total number of votes does not exceed eight hundred (800).*

***Note:** Email reminders will be sent every three days to successful registrations if there are no votes received in the voting portal during the voting period.*

3. Once the stockholder has finalized his or her vote, he or she can proceed to submit the same by clicking the "Submit" button.
4. The stockholder can still change and re-submit votes real-time until meeting adjournment, provided, such new votes are submitted using the same log-in credentials. Previous votes will be automatically overwritten and replaced by the system with the new votes cast.
